

# INSTALLATION INSTRUCTIONS

**NKG1131**

## ОБЩАЯ ИНФОРМАЦИЯ

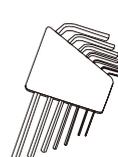

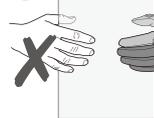

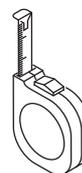

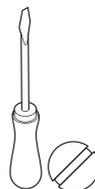

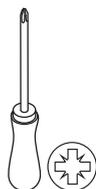

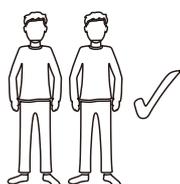

Пожалуйста, осмотрите товар внимательно до момента установки, проверьте на отсутствие повреждений или иных дефектов, проверьте комплектацию. Все претензии по дефектам принимаются до момента установки. Транспортировка, переноска товара должна производиться с особой осторожностью, чтобы не допустить повреждения товара.

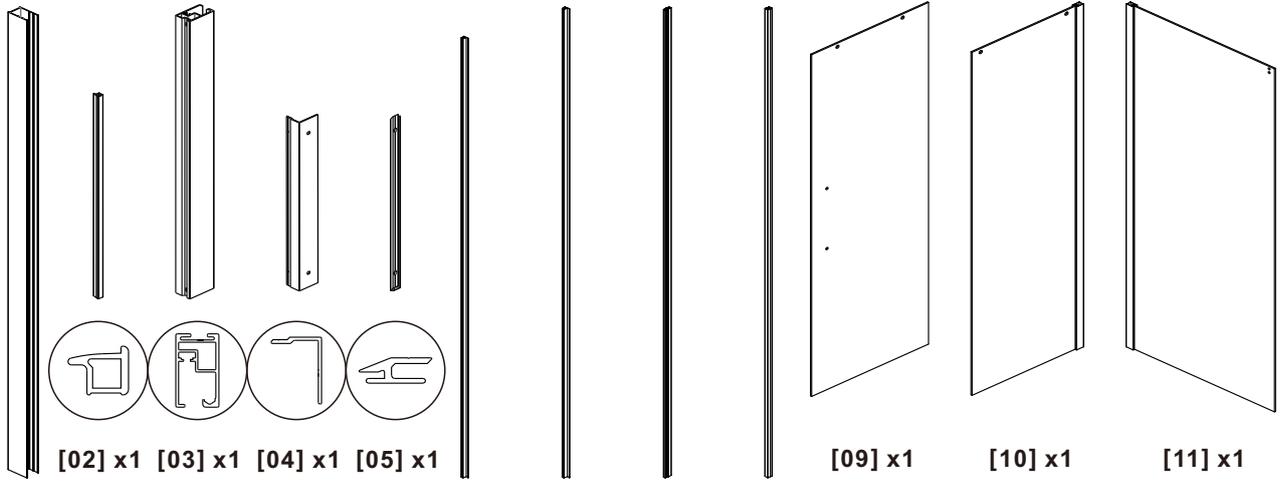

Пожалуйста, ознакомьтесь с инструкцией по монтажу до начала установки. Особое внимание обратите на места для сверления отверстий в стенах, чтобы не повредить электропроводку внутри стен.

Данный продукт имеет вес и большие габариты и может потребоваться установка с помощью 2-х человек.

## УХОД ЗА КАБИНОЙ

После использования кабины необходимо очистить стеклянные стенки кабины с помощью мыла и воды. Особенно тщательно это необходимо делать, если в Вашей системе водоснабжения жесткая вода. Запрещается использовать чистящие абразивные чистящие средства. Следует избегать контакта с сильными химическими веществами (к примеру, органическими растворителями).
